

Topos R2

Standard license: Topos R2 including updates, excluding add-ons, premium support, and upgrades (new major revisions, i.e next is Topos R3). Physical USB license key plugged into the computer running Topos.

Premium license: Topos R2 including premium support (you send us an email stating the problem/issue and we'll call back), all Add-ons, all updates, all upgrades.

Add-ons: Export to Google Earth, supreme Video grabbing

Training day: Customized consultancy/training for 1 full day according to your wishes and working on your projects.

License server: One USB license key to be inserted in your server handling all license keys (the computers running Topos must be able to connect to the server).

Price list

No of Licenses	Standard License Euro	Premium license = standard license + Euro per year
1	800	1200
2	1500	2200
3	2100	3000
4	2600	3600
5	3000	4000

One premium license thus costs Euro 2000 the first year and subsequently Euro 1200 per year, two premium licenses Euro 3700 the first year and subsequently Euro 2200 per year, etc.

In case of multiple licenses, they must all be under the same license scheme, i.e. all are standard licenses, or all are premium licenses.

Add-ons: Euro 400 for bundled add-ons (quantity discount following scheme of standard licenses)

Training day: Euro 1200 + travel at cost

License server: Euro 600
